

Art.-Nr. 05-40925N

## Gas Crepes Maker | Power Crepes Gas II 2.0

### Description

- Professional crepes plate gas for indoor and outdoor use
- The large star-shaped burner with 8 arms ensures even heat distribution on the cast iron plate
- The optimised regulator is particularly easy to grip and made of a new, robust and impact-resistant plastic
- The new model of the Power Crêpes Gas plate has an improved ignition system: The piezo ignition is now integrated in the regulator
- Safety system in case of flame interruption
- Plain-milled crepes plate made of solid cast iron with a diameter of Ø 400 mm
- Stainless steel casing
- Suitable for propane gas or butane gas (LPG)
- A nozzle for connection to natural gas is included
